Q: Here goes! Oooone! Twoooo!! Threeeee!!!

A: Thump!!!!

Q: One more time! ♡ Oooone.♡ Twoooo.♡
Threeeee.♡

A: Thump!!! Oh...I'm being played.

Q: Yo! Wassup? ONE PIECE is A-OK! It's always lots of fun and a regular storm of emotions. This is my first time writing to a manga artist. ♡
Oda Sensei, you're a character I like.

A: I'm not a character.

Q: The other day a friend asked me to draw Shanks, so I did. Then suddenly my friend hit me on the head and said, "How come you drew Django!?" Am I sick?

A: Yes. It's an illness. It's "Django Drawer's Disease." You just keep drawing Django. Late-stage symptoms include drawing Django even when you're signing for deliveries, so please be careful.

Q: That thing that's perched on Zeff's head on page 121 of volume 8 is a hat, right? My mom won't believe me. She says, "It's too tall to be a hat. There must be a pole behind him." Sensei, please tell her yourself so the blockhead (age 44) will believe it.

A: Er, Mom, please listen carefully. In this world, there are facts that cannot be bent and realities from which we cannot avert our eyes. The thing that looms above Zeff's head is a "Tower of Faith" that rises up because of his spirit. It is called the "Blue Heavens-Dividing Chef's Hat!" It's true!!!!
